Here are my comments and questions to the EPA after attending the EPA meeting in Anchorage, August 9th and 10th 2011. We were not sure who to send our comments and questions to at EPA. We want you to know that Iliamna does NOT want EPA to implement the 404 (c) Clean Water Act after attending the meeting in Anchorage.

This Email message contained an attachment named image001.jpg which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
